

## Product Termination Notification

### Power Resistor SMP (Please note; only specific values are affected)

As we continuously review and assess our product portfolio, certain products or specific resistance values within a series will be discontinued. This Product Termination Notification is being issued to inform you of the cancellation of the below part numbers. This cancellation does **not** affect the SMP series entirely.

Where possible recommended alternatives have been listed, you may also contact us for additional assistance.

This notice is effective immediately. Should you have additional demands, we ask you to inform us of your forecast figures by **31-Dec- 2013**.

Shunt type	Change	Recommendation
SMP-R005-0.5	PTN, obsolete	Please contact us.
SMP-R005-1.0-P
